

State Project Facilitation Unit, UP, Lucknow

The State of Uttar Pradesh had been a participant in TEQIP -I of Government of India during 2003-09 and has been a beneficiary in strengthening the Undergraduate programmes being run by the state funded and un-aided private engineering colleges of the state. To facilitate the successful implementation of TEQIP the State has constituted a State Project Facilitation Unit "SPFU" headed by the State Project Advisor IAS/PCS officer assisted by a Chief Project Coordinator, a technical person of the rank of a senior Professor. For achieving the sustained impact of the project in terms of improvement in quality of technical education its implementation and monitoring, SPFU has also been registered as a society under Society Act 21, 1860.

Technical Education Quality Improvement Programme Phase-II (TEQIP-II) was started by Government of India in 2010-11. This TEQIP-II programme has thus major sub component viz. -: Strengthening Institutions Improvement learning outcomes and employability of graduates, , : Scaling up Postgraduate Education and Demand-Driven Research & Development and Innovation and : Establishing Centres of Excellence.

Objectives :

- ❑ Strengthening Institutions to produce high quality engineers for better employability,
- ❑ Scaling-up postgraduate education and demand-driven Research & Development and Innovation,
- ❑ Establishing Centers of Excellence for focused applicable research,
- ❑ Training of faculty for effective Teaching, and
- ❑ Enhancing Institutional and System Management effectiveness

Institute of Entrepreneurship Development, U.P

Vision: Developing Enterprising Citizens for creating vibrant economy

Mission: Topromote entrepreneurial culture through well planned interventions

The Institute is a premier Institute and Center of Excellence in the field of entrepreneurship promotion and Human Resource Development. IEDUP is the first state level institution of the country for entrepreneurship development, established by the Government of U.P. with initial support of IDBI, IFCI, ICICI, SBI & PNB in 1986. IEDUP is an autonomous body governed by its own Board of Governors comprising senior bureaucrats, bankers, academicians and eminent professionals.

IEDUP as a Centre of Excellence (CoE) for Entrepreneurship and Human Resource Development organizes specialized programs for various target groups as per their specific requirements and caters to a wide range of target audience from labor in the farms to the executives and faculties, from drop out of schools to the students at higher level, from field functionaries at grass root level to the policy makers at top level. IEDUP's work areas include entrepreneurship, industrial development, skill development, education, environment, and corporate social responsibility. Institute achieves its objectives through a well-designed interventions, i.e. Training, Capacity building, Research studies, Survey, Monitoring & Evaluation, Work shops, Seminars, Awareness programs, Sensitization and publication etc. Our team of experts and trainers along with well-experienced visiting resource persons has been making significant contribution to the professional accomplishments.

Institute has five acre lush green campus comprising training infrastructure Classrooms, conference hall and syndicate rooms well equipped with wi-fi enabled computers and LCD projectors to facilitate teaching and learning along with good Library and Beautiful hostel with 32 rooms.

Everyone is borne with certain abilities,
We can help to Realize, Nourish
& Flourish Entrepreneurial Capabilities

Faculty Development Program For Engineering and Management Institutions

Faculty Development Programs are one of the most important approaches -

- ❑ To develop the understanding, competencies and skills of the faculties / teachers in line with national agenda and changes taking place in the environment.
- ❑ Upgrade credentials as well as competencies to help students in regular courses.

Context/Need: Entrepreneurship development is now a national issue and Government of India as well as State Government is promoting innovations and entrepreneurship development initiative at different levels.

Emergence of the enterprising society requires three dimension approaches viz: inculcating entrepreneurship among students, mentoring and facilitation towards enterprise promotion and creation of encouraging environment for entrepreneurs. Colleges and teachers are to play vital role in inculcating entrepreneurship and providing mentoring support to the youth.

Today, India require trained and effective teams all over the country to inculcate entrepreneurship among students and guide them for enterprise promotion. Considering capacity development of faculty to inculcate entrepreneurship, motivation and mentorship as prime requisite of the development agenda, IEDUP planned to conduct Faculty Development Programs on regular basis. This FDP is a joint initiative of SPFU, UP and IEDUP for faculties of Engineering & management colleges.

The Objective:

- ❑ Develop an understanding on application of entrepreneurship.
- ❑ Provide an opportunity to experience and reflect on learner outcomes through an Experiential Learning activity. them to promote enterprise.
- ❑ Impart skills and techniques to ignite entrepreneurial spark among students, inspire them for entrepreneurial career, and facilitate them to promote Enterprise

Thematic Areas: ❖ Entrepreneurial Motivation Training ❖ Business Opportunity Guidance and Project Report Preparation ❖ Mentoring and Facilitation / exposure visit

Methodology: The training program shall be conducted in an interactive and participatory manner. Exchange of information and participants' views will be facilitated. Content will be delivered through a mix of following techniques:

- ❖ Interactive lectures ❖ Mutual learning and sharing process. ❖ Small group discussions.
- ❖ Open group discussion ❖ Exercises. ❖ Case studies ❖ Role play ❖ Presentations

Who should attend : This is a basic program specially designed for faculty members including Research Scholars, Students of final year MBA and M Tech, serving / aspiring to serve in Engineering/ Management institutions & for Entrepreneurship Development.

Resource Person/Faculty: Apart from the Institute's faculty, eminent practitioners from Entrepreneurship Development sector, professional institutes will be invited to interact with the participants

Program Duration and Timings : This would be a 5 days program with timing of 9:30 am to 5:30 pm.

Post Programme Benefits: Empanelment with the Institute for contributing as a Resource person in Entrepreneurship Development initiatives in UP and other states

Certificate of participation: Institute will issue a certificate of participation.

Participation fee : The Program fee per participant is Rs. 10,000.00 for non-residential (covering reference material, training fee, tea and lunch) and Rs. 15,000.00 for Residential (which includes stay, bed-tea, breakfast, and dinner). **Fee is payable** in advance through local cheque /demand draft in favour of Institute of Entrepreneurship Development, U.P., payable at Lucknow.
